EDUCATION

Bachelor's in Data Analysis

2024 – Present

Delhi Skill and Entrepreneurship University (DSEU), Delhi

Relevant Coursework: Statistics, Python Programming, Data Structures, Database Management Systems, OS

TECHNICAL SKILLS

Programming: Python, C, C++

Data Tools: Pandas, NumPy, Matplotlib, Excel, Tableau, Power BI, R

Database: MySQL

Other: Git, Basic Web Development, Basic Finance and Digital Marketing, Operating Systems

PROJECTS

Smart Parking Slot Booking System

- Designed a Flask-based parking booking platform with seat-style UI similar to cinema booking systems.
- Implemented authentication, booking APIs, admin panel, and pricing logic.
- Developed real-time parking slot management system with database integration.

Finance Tracker with Analytics and Predictive Insights

- Developed a data-driven personal finance tracking system to monitor and analyze user spending patterns across multiple categories.
- Implemented analytical modules to generate monthly spending summaries, category-wise distributions, and daily expenditure trends, enabling deeper financial behavior insights.
- Built statistical and machine-learning based prediction models to forecast future spending trends and estimate potential monthly savings.

RapidRescue Healthcare Hackathon Project

- Designed a healthcare platform to help users quickly locate and contact nearby hospitals and ambulances during emergencies.
- Developed a system to track nearby emergency services using real-time location data.
- Implemented features to connect users with the closest available ambulance to reduce response time.
- Conceptualized a dashboard for monitoring ambulance availability and hospital access during emergencies.

ACHIEVEMENTS

- Qualified District Level – Delhi AI Grind.
- Semi-finalist – IQ Elevate 2025, conducted by Bharati Vidyapeeth's College of Engineering.
- Active participant in multiple national-level hackathons.
- Participated and Qualified round 1 of Aerothon 2025 by SAE India.

EXTRACURRICULAR ACTIVITIES

- Daily runner.
- Active learner in Data Analytics and Quantitative Finance.
- Fine Arts.
